

Patton Group Quality Policy Statement

The Directors of the company are committed to the quality of service and client satisfaction first and foremost. The company's commitment to this is demonstrated in the achievement of certification to ISO14001:2015.

Management's focus on commitment to Quality is summarised in the following brief statements.

- Meet client needs
- Minimise dissatisfaction
- Avoid costly deficiencies
- Optimise company performances
- Provide resources
- Review progress

The method to measure conformance will be the use of the Environmental Management Internal Audit System and Management Review Process. This will continually improve the effectiveness of the Management System.

We will actively pursue improving quality through programs that enable each employee to do their job right the first time and every time.
